

MY CHIROPRACTIC STORY

By: Diane B. age 42,

1. What health concerns brought you into the clinic?

5 years ago I was suppose to have back surgery, I declined. Since I started coming to Dr. Jodi, 3 weeks ago she has helped me SO much and has given me hope that surgery is not an option at this time.

2. Describe how doctors and staff took care of you here.

They were **GREAT**, they helped me to feel comfortable every time I come in.

3. What progress have you made since you started chiropractic care?

I can move and stand up straight with no pain or discomfort. I have more energy and I feel better through out the day. I can sleep and not feel so much stiffness when I get up.

4. How were you referred to our office?

Co-worker

5. What advice would you give somebody with the same condition?

Dr. Jodi is a miracle worker, God has blessed her with such a great mission in this world to help others.
